WILDFIRE

**PRESSURE REVEALS BEHAVIOUR.
ALIGNMENT DRIVES PERFORMANCE.**

Wildfire is a short, powerful business simulation that places teams in a high-pressure crisis where clear communication, alignment and fast decision-making determine success.

A one-hour experience that accelerates team maturity and drives execution.

SIMULATION EXPERIENCE

Teams face a critical wildfire crisis.
Share information. Manage conflict. Align priorities.
Make decisions. Achieve the mission.

THE TEAM CHALLENGE

Many teams struggle because they:

Avoid healthy conflict

Fail to communicate clearly
under pressure

Operate from individual agendas

Struggle to align around
common goals

Delay decision-making when
stakes are high

Wildfire rapidly reveals these behaviours
and creates powerful learning moments.

KEY LEARNING OUTCOMES

Participants will learn how to:

Communicate effectively under pressure

Navigate conflict constructively

Build alignment around shared goals

Make faster, better team decisions

Increase trust and collaboration

Improve execution in high-pressure
environments

Move through the team
development stages quickly
to reach high performance.

FORMING
